

Reference

NOTE: Regarding Export Control Checking System at Kumamoto University

The Export Control Checking System may be required before accepting international students or researchers from overseas or information or technology transfer overseas. The host researchers or overseas travelers need to check them by your own through the system and if needed, please take a prescribed procedure.

If you have a question, please contact;

Kumamoto Innovative Development Organization

Risk Management Division

ext. 3143, kido-rmd@jimu.kumamoto-u.ac.jp

Providing research information and/or technologies

○ Applicable

e.g.: Joint research

need to check by the system

* Please apply with enough time as it may take for a while to get an answer “approval” or “disapproval”

○ Not applicable

e.g.: Seminars, lectures.

no need to check by the system
